

## REQUEST TO SPEAK DURING PUBLIC COMMENTS

The Cullman County Commission would like to hear issues of importance brought by citizens as it is in the best interest of the people that the Commission be well-informed and prepared. In order to better ensure that this process is efficient and effective, the Commission requires that citizens submit a written form requesting to speak at a County Commission meeting. There is a time limit of 3 minutes for each speaker and no more than two speakers may be heard on the same topic. The Chairman may rule out of order personal, abusive or indecorous language or matters that the Commission has no purview over.

The deadline to submit a request to speak during public comments is at 4:00 p.m. the Friday prior to a Commission Meeting. All requests must pertain to an item on the current agenda.
